

2012 New Sento 50i

The New Sento 50i combines old school styling with new school technology. Retro inspired design with a modern touch lets you zip across town in style with this small frame, easy to ride scooter. An environmentally friendly option, the New Sento 50i comes loaded with extra features such as a front LED positioning light, a built in open storage compartment under the front handlebar, redesigned gas tank, and fuel-injection for precise fuel delivery and great mileage. The long textured seat offers superior comfort, room for a passenger, and optimizes under seat storage space. Elegant, classic, and remarkably reliable.

Additional Features: Fuel injection, LED turn signals, central LED lights for added visibility, aluminum rim with two piston front disk brake, improved under seat storage, folding passenger footrests, improved dash perfect for beginners, flat floor, larger fuel tank, improved horsepower, fuel cap & open storage compartment under front handlebar, textured seat.
